Sex FEMALE | Date of birth 22/04/70 | Nationality Greek

WORK EXPERIENCE

2019-Present

Vice President of the European Federation of Landscape Architects (<https://iflaeurope.eu/.gr>).

2016-Present.

President of the Panhellenic Association of Landscape Architects (www.phala.gr), Greece. and Delegate from Greece to the International Federation of Landscape Architects (www.ifla.org).

1997-Present

Certified agricultural engineer by the Ministry of Infrastructure, Transport and Networks. Freelance [Researcher](#) and Landscape architect, responsible for more than a hundred national and worldwide landscape design projects, about restoration, assessment and design, for the public and private sector.

2014-2016.

National Centre for Public Administration and Local Government (EKDDA), Ministry of Interior and Administrative Reconstruction. Greece. Teaching staff at the Life long learning program: [“Green Infrastructure in urban and peri-urban areas”](#)

2018-2020.

Assistant Professor (with contract) at the Agricultural University of Athens, Faculty of crop science. Floriculture & Landscape Architecture.
-Undergraduate teaching on landscape architecture and ornamental plants.
-Postgraduate teaching on landscape restoration.

2013-2015:

Department of Geography, University of the Aegean, Greece. Project Manager and Scientific Assistant for the research program: [MedScapes](#)

2013-2015:

National and Kapodistrian University of Athens, Greece. Adult Teaching program: [“The Academy of Plato”](#). Responsible for the teaching and the organisation of lectures of one of the sections about “Space and social values: interventions & recompositions”.

2013:

Centre for renewable sources and saving, Greece, Expert for the evaluation of proposals for the program: “Green Roofs of public buildings” under the auspice of Centre for renewable sources and saving.

2012-2013:

Ministry of Environment and Energy. Greece. Landscape assessment expert for the North Aegean Islands typology and assessment, during the evaluation of General Framework of Spatial Planning and Sustainable Development of North Aegean Islands.

2011-2012:

Member of the Landscape Committee of the Ministry of the Environment and Energy, Republic of Greece.

2011-2012:

[Ministry of Environment and Energy. Greece.](#) Landscape Architect in the team of experts for the landscape planning, protection and enhancement of the former Royal Estate-called Tatoi Park-in Athens, Greece.

2008 – 2009:

Metropolitan Municipality of Amman, Jordan. Senior Landscape Architect in the team of Thymio Papayannis and Associates for the architectural and landscape

- 2008:** design of King Abdullah II Park, Amman, Jordan.
BLUE CITY project in Omman. Senior Horticulturist and Landscape Architect Assistant in the team of A.N. Tombazis & Associates Architects for the Landscape overall plan of BLUE CITY tourism development project.
- 2000-2001:** Association for the protection and restoration of the mountain of Penteli, Greece, Manager and scientific expert responsible for the quarries restoration proposals and Reforestation Projects of Penteli Mountain.
- 1997-1998:** Hellenic Ministry of Rural Development and Food, Greece, Short term contract in the department of Food Manufacturing Standardization and Quality Control.
- 1997- Today** She is having her own practice (www.katerinagoltsiou.gr) in Athens. She specializes in a wide range of services in landscape design, construction and research sector. She is also a partner of AGRODESIGN (www.agrodesign.gr), in order to promote agritourism and landscape design.

EDUCATION AND TRAINING

- 2007:** **Ph.D. in Geography**, Department of Geography, University of the Aegean, Lesvos, Greece, Supervisor: Theano S. Terkenli, Title of Dissertation: "The development of a methodological framework of landscape indicators for the analysis of the tourist landscape. An application on island tourist landscape", with an excellent award. (<http://phdtheses.ekt.gr/eadd/handle/10442/19887>).
- 1996:** **M.Sc.: Master of Landscape Architecture**, Department of Landscape Architecture, the University of Edinburgh, Scotland, U.K, Supervisor: S. Filor, Title of Dissertation: "The role of Landscape Architect in quarries reclamation", with very good grade. Major research topics: 1. A strategic plan for the extension of Greenbelt in Edinburgh, 2) [Landscape Planning project for the village of Portree in the island of Skye](#)
- 1993:** **Diploma in Agriculture**, , School of Agricultural Production, Infrastructure and Environment, Department of Crop Science, Specialisation: Horticulture, Athens, Greece, Supervisor: P.Kaltsikis, Title of Dissertation: "Somaclonal variation of Triticale sp." with an excellent award.

PERSONAL SKILLS

Mother tongue(s) Greek

Other language(s)	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	B	C	B	B	C
	Replace with name of language certificate. Enter level if known.				
French	B	B	B	B	B
	Replace with name of language certificate. Enter level if known.				

Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2 Proficient user
Common European Framework of Reference for Languages

Digital competence

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Proficient user	Proficient user	Independent user	Proficient user	Independent user

Levels: Basic user - Independent user - Proficient user

Digital competences - Self-assessment grid

Replace with name of ICT-certificate(s)

G.I.S. ArcGIS 9x & 10: Good

C.A.D. AutoCAD 2D (2007): Excellent

DESIGN Photoshop,: Good

OFFICE Word, Excel, Power Point, Access and Outlook: Excellent

Microsoft and Open Office

Internet, mail, online collaborative platforms, social media

Other skills

Good skills and experience in landscape character assessment, methodologies of evaluation of tourism impacts upon the landscape, landscape indicators, the application of G.I.S. in landscape analysis. From 2002, she is participating in E.U. & National research projects. She was also the co-author in books for High Schools and Universities; she has published in peer review journals in the field of landscape research.

Research Projects:

- ❖ 2016 – 2018:Geo-Ergon Paideia” «Start Up Farm: Skills for future ecofarmers». Erasmus+, through the Greek State Scholarship Foundation. Coordinator and Scientific manager Prof. D. Lekkas, University of the Aegean, Department of the Environment. Research and teaching the subject: “Brand my Land”.
- ❖ 2013-2015:MedScapes: Development of Landscape Character Assessment as a tool for effective conservation of natural heritage in the Eastern Mediterranean, (ENPI CBC -2007-2013). Project Manager & Scientific Assistant for the University of the Aegean, Department of Geography. Scientific Manager: Th.S.Terkenli.
- ❖ 2012-Present: COST ACTION (IS 1204 EL):"Tourism, Wellbeing and Ecosystem Services (TObeWELL). MC Substitute Member in Management Committee Meetings.
- ❖ 2012-Present.), COST ACTION (FP1204 EL):"Green Infrastructure approach: linking environmental with social aspects in studying and managing urban forests". MC Substitute Member in Management Committee Meetings.
- ❖ 2012-2014: E-CLIC. With the support of the Culture Programme of the European Union. Making European Policy Popular through Challenge, Learning, Innovation, Cooperation: An experiment on the Landscape Convention / E-CLIC. 2013-2015. Research upon the following areas: A) Good practices in implementation of landscape policies. Greek case studies and B) A Greek policy review. Organizer: PRISMA Ltd. <http://www.e-clicproject.eu/el/>
- ❖ 2010-2014 (CANEPAL) Culture and nature: the European heritage of sheep farming and pastoral life. Research upon the following areas: “Landscape” and “Transhumance roads”. Organizer: PRISMA Ltd. <http://www.prismanet.gr/canepal/en-10-research-topics/en-5-landscape>, <http://www.prismanet.gr/canepal/en-10-research-topics/en-4-transhumance-routes>
- ❖ 2007: Monitoring and modelling land use/land cover change in coastal areas using Remote Sensing and GIS, Call identifier: Pythagoras II- (EPEAEK II), Ministry of National Education and Religious Affairs, Greece.
- ❖ 2002: “Programme Aegean Archipelago” Preservation and Management Plan for Randi Forest, Ikaria, Greece, under the auspices of UNESCO and financed by the Greek Government.

Awards:

- ❖ 1997: Redemption for the architectural and landscape design competition under the title: "Landscape design of St Nicolas Jetty in Patras", Coastal Patron Fund of Patras, Greece. Team of designers: Aik. . Gkoltsiou, V. Gavrielatos.
- ❖ 2000: 2nd prize for the architectural and landscape design competition under the title: "Landscape design of the central Square and commercial center of Orestiadai", Municipality of Orestiadai, Greece. Team of designers: Aik. Gkoltsiou, M.Votsis, A. Krassas, T. Bournazou, C. Gallifianakis, A. Galati.
- ❖ 2001: 2nd prize for the architectural and landscape design competition under the title: "Landscape design of National Resistance Square", Municipality of Ilioupoli, Greece. Team of designers: Aik. Gkoltsiou, M.Votsis, F. Gerondakis, I. Drouga.
- ❖ 2002: Redemption for the architectural and landscape design competition under the title: "Public building of cultural interest G. Mavropoulos", Municipality of Pilea, Greece. Team of designers: Aik. Gkoltsiou, M.Votsis, F. Gerondakis, I. Drouga, E.Dimitrakopoulou, N. Fouskokolaki.
- ❖ 2017: Praise by the Hellenic Institute of Architecture. Residential Category. Hansen Residential Building, Athens. Study group: Area, Architecture Research Athens, (Styliani Dauti, George Mitroulias, Michalis Ratopoulos), Athanasios Giannimaras, Panagiotis Kamboukos, Katerina Gkoltsiou.
- ❖ 2018: Selection of the proposal for implementation of "Design of the roof and balcony of the 3rd floor of the University of the Aegean, in Athens", implemented by EATA. SA of the Project "INTERVENTIONS IN THE CITY", on the thematic "BUILDING" of the city program of the municipality of Athens. Study group: Aikaterini Gkoltsiou. Host: E.A.T.A. A.E. Municipality of Athens.
- ❖ 2018: A' Prize International Competition «Landscape interventions reclaiming artificial lake "Asteri" front». Team of designers: Dr. Aikaterini Gkoltsiou, Dr. Marilena Papageorgiou, Dimitra Rahmanidou, Spyros Moudrihas, Danae Karamitsou, Theoni Kostopoulou, Vassiliki Repsi, Stamatis Matoulas. Organiser: Prefecture of Western Greece. Patras 2018.
- ❖ 2019: A' Prize International Competition «Landscape interventions reclaiming artificial lake "Asteri" front». Team of designers: Dr. Aikaterini Gkoltsiou, Dr. Marilena Papageorgiou, Dimitra Rahmanidou, Spyros Moudrihas, Danae Karamitsou, Theoni Kostopoulou, Vassiliki Repsi, Stamatis Matoulas. Organiser: Serbia Association of Landscape Architects. Belgrade 2019.

Teaching Activities:

- ❖ 2019-2020: Assistant Professor Assistant Professor (with contract) at the Agricultural University of Athens, Faculty of crop science. Floriculture & Landscape Architecture.
-Undergraduate teaching on landscape architecture and ornamental plants.
-Postgraduate teaching on landscape restoration.
- ❖ 2018-2019: Assistant Professor Assistant Professor (with contract) at the Agricultural University of Athens, Faculty of crop science. Floriculture & Landscape Architecture.
-Undergraduate teaching on landscape architecture and ornamental plants.
-Postgraduate teaching on landscape restoration.
- ❖ 2017: Invited speaker about “Landscape as a regulator for the development of place” during the Msc course Urban and Regional development, Panteion University of social and political sciences, Athens, Greece.
- ❖ 2017: Invited speaker about “Parks and Squares” during the Msc course Landscape Architecture, University of Neapolis, Pafos. Cyprus.
- ❖ 2017: Invited speaker about “Urban trees” during the Msc course Landscape Architecture, University of Neapolis, Pafos. Cyprus.
- ❖ 2017: Invited speaker about “Landscape Architecture, International kai National Prospects” during the Msc course Landscape Architecture, University of Neapolis, Pafos. Cyprus.
- ❖ 2016: Lecturer at the School of “Seeds” about “The role of Biodiversity in Landscape Architecture”. Greek Agricultural Organization “Dimitra” & Aigylops. Athens, Greece.
- ❖ 2016: Invited speaker on “Landscape Architect’s professional perspectives”, during the Msc course on Landscape Architecture, School of Agricultural Production, Infrastructure and Environment, Department of Crop Science, The Agricultural University of Athens, Athens, Greece,
- ❖ 2015: Scientific Assistant and Lecturer at the International Summer School: Training in Landscape Character Assessment Methods and Tools. Dep. of Geography, University of the Aegean, Lesvos, Greece.
- ❖ 2013- Present. Responsible for the teaching of Landscape design and planting of urban and peri-urban areas. Life learning teaching program: “Green Infrastructure in urban and peri-urban areas”. National Centre for Public Administration and Local Government (EKDDA), Ministry of Interior and Administrative Reconstruction. Greece.
- ❖ 2013: Invited speaker on «Landscape design of Agritourism Farms». In Seminar: “The use of indigenous plants in Landscape design”, Faculty of Agricultural Technology, Dept. of Floriculture & Landscape Architecture. Arta, Greece.
- ❖ 2013 –2015: Adult teaching in the life long learning program: “The Academy of Plato” National and Kapodistrian University of Athens, Greece.
- ❖ 2012-2013: Adult teaching in the life long learning seminars about Garden design, Institute of Agricultural Sciences, Athens, Greece.

Organization of Conferences, Workshops, Events

- ❖ 2012: Invited speaker on «We are the landscape.Methods and tools of landscape analysis». In Seminars: “Anthropological and multidisciplinary landscape approaches”, Greek Society for Ethnology. Athens, Greece.
- ❖ 2011: Invited speaker on «Landscape convention in practice: Methods and tools for landscape analysis In Seminars: “The Aegean landscape”, National Hellenic Research Foundation, Cycladic Scientific and Educational Institute. Syros, Greece.
- ❖ 2008-2010: Seminar for Architects, Civil Engineers and Agricultural Engineers from Public and Private Sector, upon the subjects of Green Architecture-Vertical Gardens, Playground, Garden design, Design of gardens and small urban space, Landscape Architecture in Townscape. Oikonomotexniki Seminars, Athens, Greece
- ❖ 1998: Invited speaker about «Quarries restoration».National Technical University, Department of Architects, Planning IV, 8th semester. Athens, Greece
- ❖ 2018: “Landscape Character Assessment in planning and management: The case study of Greece”. In 110 ICHGS - 2018: “Innovative geographies. Understanding and Connecting our World”. Session: Innovative Methods and Tools for Landscape Character Assessment. Lavrio 12-15 April 2018. **Session Coordinator.**
- ❖ 2015: 2 days participatory methods (HIMA) workshop: “Landscape and our place. Looking for future development opportunities”, Sigri, Lesvos, Greece. Scientific Assistant and Manager on behalf of the Dep. of Geography, University of the Aegean, Lesvos, Greece.
- ❖ 2015: One day conference: “Development of Landscape Character Assessment as a tool for effective conservation of natural heritage in the Eastern Mediterranean”, Athens, Greece, Scientific Assistant and Manager on behalf of the Dep. of Geography, University of the Aegean, Lesvos, Greece in coordination with the Ministry of Environment and Energy and with the Mediterranean Institute for Nature and Anthropos (MedINA).
- ❖ 2015: International Summer School: “Training in Landscape Character Assessment Methods and Tools”. Lesvos, Greece. Scientific Assistant and Manager on behalf of the Dep. of Geography, University of the Aegean, Lesvos, Greece.
- ❖ 2015: Group exercise/ workshop: “Eastern Mediterranean LCA, RAM and HIMA”. Lesvos, Greece. Scientific Assistant and Manager on behalf of the Dep. of Geography, University of the Aegean, Lesvos, Greece.
- ❖ 2001: IFLA Central Region Symposium: Art and landscape, Athens, Greece. Assistant member on behalf of the organiser the Panhellenic Association of Landscape Architects (PHALA).
- ❖ 1999: Conference: “Contemporary Asklepieion. Health and Civilization”, Athens. Greece. Member of the Organizing Committee, Association of friends for the Asklepieion Park in Athens.
